15 Snip off the round wire (pin stem) to a dimension that works with the pin clutch. File the end of the wire to a point and soften it with sandpaper. Using flat-nose pliers, grab this wire lengthwise and twist it to work harden the metal.

ABRASHA

Square Pin #8, 1990

2 x 2 x 1/4 in. (5.1 x 5.1 x 2 cm)

Rusted steel, 18-karat gold, 24-karat gold, sterling silver, stainless steel; fabricated, cold connected

Photo by artist

16 Join all the brooch parts together for their fit. Use epoxy to glue the inserts onto the driftwood and the square holes. Let dry and enjoy!
